# GLIDER PLAN QUERIED

## Bradshaw says expanding Carryduff area must be included in future route

BY CONOR MCPARLAND

THE growing Carryduff area must be included on the route

of the new Glider service planned for South Belfast.

That's the belief of South Belfast MLA Paula Bradshaw,

who was speaking after a consultation on the second phase of the plan to link South and North Belfast by Glider

was launched this week.

Ms Bradshaw welcomed the consultation but rejected the assessment of the Glider plan

that the service should not continue to the Carryduff roundabout because of low levels of residential density.

She accused the Department of Infrastructure of displaying a "lack of vision".
